10AM—6 PM

Saturday
10AM—4:30PM

You'll be helping
your community
and yourself by
making a tax
deductible
donation.
We can even pick
up larger
donations!

Call us and ask if
you have questions.

Shopping Hours

Tuesday-Friday
10AM—6 PM

Saturday
10AM—4:30PM

Eco-Facts

- Dirty filters use more energy and make your heating system work harder than it may need to. Pick a date on your calendar each month and change the filter.
- Use kitchen and bathroom exhaust fans only when necessary. Don't forget:- the moisture from bathing and cooking helps humidify the house, making it less dry during winter.

What's Happening at the ReStore! Customer Appreciation Week
